

Oct 14 (Tue) Auditorium	Moderators	Milomir Ninković, Ralph Manktelow (8:00-10:00) Hung-Chi Chen, Seng-Feng Jeng (10:00-12:00) Eric Santamaria, Samir Mardini (12:00-14:00)
	Live Surgeries Detials	Topic: Head and Neck Reconstruction
8:00-14:00	(A) Chung-Kan Tsao (Room 2)	Reconstruction of Esophageal Defect and Voice with J Designed Anterolateral Thigh Flap
	(B) Seng-Feng Jeng / Hsiang-Shun Shih (Room 3)	Designing the Ideal Anterolateral Thigh Flap and Optimizing Donor Site
	(C) Fu-Chan Wei / Huang-Kai Kao (Room 5)	Fibula Flap for Mandible Reconstruction
	(D) Yur-Ren Kuo / Pao-Jen Kuo (Room 10)	Lower Medial Thigh Perforator Flap for Head and Neck Reconstruction
Lectures	Speaker	Topic: Train the Trainer
	Moderators	Anton Fries, Karen Wong
14:00-14:18	Milomir Ninkovic	Achieving the Function and Aesthetic through Reconstructive Microsurgery
14:20-14:38	Eric Santamaria	My Journey from Mentee to Mentor
14:40-14:58	Samir Mardini	
15:00-15:18	Seng-Feng Jeng	How to Become a Second Best Microsurgeon
15:20-15:50	Coffee Break	
Lectures	Speaker	Topic: Train the Trainer
	Moderators	Eric Santamaria, Samir Mardini
15:50-16:08	Wee Leon Lam	
16:10-16:35	Ralph Manktelow	On the Shoulders of Giants: Six of the Global Pioneers in Microvascular Surgery - Their Accomplishments, and Some of the Enabling Factors in their Success
16:40-17:30	Fu-Chan Wei	Train the Trainer - The Experiences from Chang Gung Microsurgery

Room 1	Moderators	Yun-Jui Lu, Yur-Ren Kuo
	Speakers	Topic: Extrimity Reconstruction
08:00-08:12	Alex Oradan *	Reduction of venous congestion by the use of arteriovenous anastomosis in finger replantation
08:15-08:27	Hayato Kuno *	3F (Fix and Flap, Early Functional reconstruction) Concept in Treating Severe Upper Extremity Injury
08:30-08:55	Eldon Mah	
09:00-09:25	Yur-Ren Kuo	Hand Transplantation : Current Challenges and Future Prospects
09:30-09:55	Hung-Chi Chen	Ten Strategies for Donor Site Economy in Modern Era of Reconstructive Surgery
10:00-10:30	Coffee Break	
Lectures	Moderators	Cheng-Hung Lin, Chung-Chen Hsu
	Speaker	Topic: Extrimity Reconstruction
10:30-10:55	Chih-Hung Lin	Immediate Functioning Muscle Transfer for Post-traumatic Forearm Composite Defect
11:00-11:25	Chung-Chen Hsu	The Anterolateral Thigh Perforator Flap: Its Expanding Role in Lower Extremity Reconstruction
11:30-11:55	Anton Fries	Reconstruction of Military Trauma - Afghanistan Experience
12:00-12:25	Yun-Huan Barry Hsieh	The Role of Cancellous Screw in Finger Replantations
12:30-13:00	Lunch Break	Sponsor Talk
Lectures	Moderators	Ren-Wen Huang, Anton Fries
	Speaker	Topic: Extrimity Reconstruction
13:00-13:20	Milomir Ninkovic	Over 35 Years of Experience using the Ninkovic Surgical Technique to Treat Foot Drop
13:25-13:45	Chih-Hung Lin	Various Integration of Toe Transferfor tripod pinch restoration
Lectures	After 2 pm please meet up at Auditorium	Topic: Train the Trainer

Room2	Moderators	Laura Chia-Fang Chen, Tommy Nai-Jen Chang
B & L	Speakers	Topic: Breast Reconstruction
08:00-08:25	Laura Chia-Fang Chen	Minimizing Donor Site Morbidity Using Robot-assisted approach in DIEP flap harvesting
08:30-08:55	Eric Santamaria	Nipple Sparing Mastectomy and Deep Inferior Epigastric Artery Perforator Flap Reconstruction: Tips and Tricks
09:00-09:25	Luccie Wo	
09:30-09:55	Tommy Nai-Jen Chang	Breast Neurotization Using Autologous Graft: 300 Case Experiences in Chang-Gung
10:00-10:30	Coffee Break	
Lectures	Moderators	Allen Wei-Jiat Wong, Johnson Chia-Shen Yang
	Speakers	Topic: Lymphedema
10:30-10:55	Ivy Hui-Yi Hsiao	Engineering Lymphatic Tissue
11:00-11:25	Johnson Chia-Shen Yang	Treating Alzheimer’s Disease With Neck Lymphaticovenular Anastomosis: Our Preliminary Experiences at KCGMH
11:30-11:55	Allen Wei-Jiat Wong	Distally based Lymphatic Microsurgical Healing Approach and a Meta-analysis of Immediate Lymphatic Reconstruction
12:00-12:25	Dung Nguyen	Progress, Innovation, and the Future of Lymphatic Surgery
12:30-13:00	Lunch Break	Sponsor Talk
Lectures	Moderators	Luccie Wo, Chieh-Han John Tzou
	Speakers	Topic:
13:00-13:20	Chieh-Han John Tzou	Soft Skills in Microsurgery
13:25-13:45	Khong Yik Chew	Functional Reconstruction of Large Abdominal Wall Defects using Extended Anterolateral Thigh Flap
Lectures	After 2 pm please meet up at Auditorium	Topic: Train the Trainer
